Tiger & Tiger Wand

Cycle Lane Separators

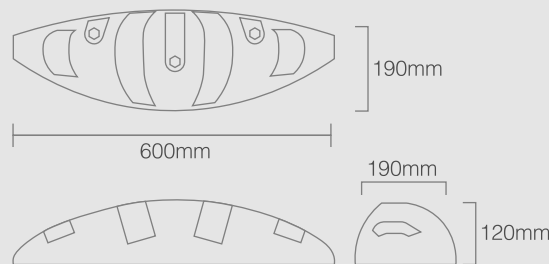

Robust and innovative separator that gives great visibility. Rounded form for enhanced safety. Available with and without Impact Resistant Wand.

Characteristics

- **High visibility day and night.** Due to retroreflective wand.
- **High shock absorption.** Due to flexibility of the material and absence of sharp edges.
- **High mechanical strength.** Due to structure and design of the material.
- **High resistance to weathering.** Due to the material used.
- **Fast and easy to install.** With 3 x anchor bolts.
- **Installation in different positions**
- **Made using Vulcanized Recycled rubber.**
